HAPPY GIVING TUESDAY!!!

In the Beginning Class, you...

1. Learned how to copy & rename reports
2. Took a look at Report Templates
3. Learned about different report types
4. Saw some simple column work
5. Saw some simple filter work

Today, you will...

1. Learn how to work with nested filters
2. Explore cross-data reporting capabilities

Nested Filters

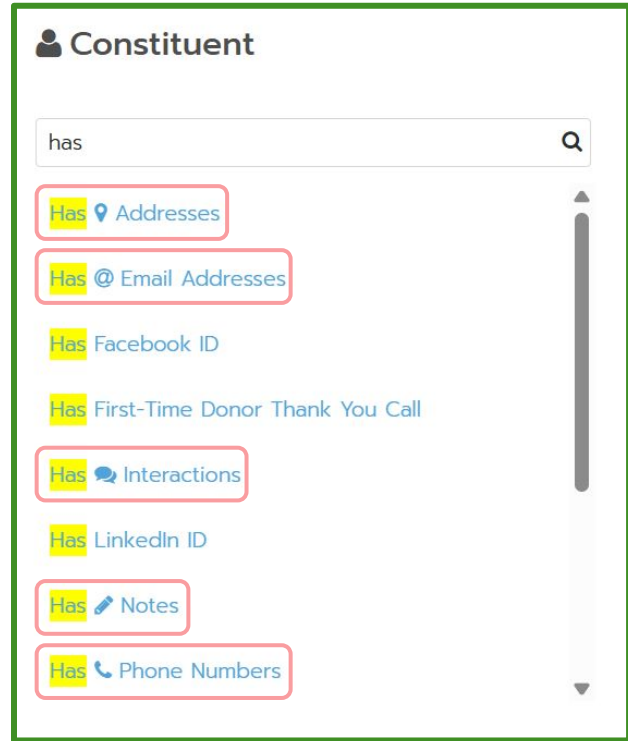

What is a nested filter?

A filter with more filters inside of it!

Any filter option that begins with “Has” followed by an icon is an indicator of a nested filter that can be added.

With Contact Info Filters, you can filter by people who...

- + Live in certain areas
- + Have bad addresses
- + Do not have email addresses
- + Prefer to be contacted at work
- + And more!

With Timeline Entry Filters, you can filter by people who...

- + Opened mass emails
- + Were sent holiday cards last year
- + Made their first gift during a certain time frame
- + Have done specific volunteer tasks
- + And more!

Let's try it out!

You can report on people who...

- + Have engaged with your organization, but never given
- + Have one contact info type that is bad or missing, but have another contact info type that is valid
- + Gave last holiday season, but has not been sent this year's holiday mail appeal
- + And more!
